

Winter 2018

Who we are

L'école de français offers French language courses to students and companies in the Netherlands. We have a wide range of courses, including specialised courses, private tuition, workshops, outings to museums and more!

Our courses are being given by **native French speakers**, where possible in French, from the beginners' courses onward.

NEW! We will also give French for busy people courses from 7:30am to 9:00am. For anyone who wants to learn French before work!

The courses

We work in small groups of 4 to 8 people. This means high individual attention and a casual yet result driven learning atmosphere.

Following the Common European Framework of Reference for Languages, we offer all levels from A1 to C2 of French group courses and conversation classes. Do you have no or little knowledge of French? You can register for a level A1.1 course.

Do you want to register for a higher level? You can!

- A certification e.g. DELF/DALF or TCF will do
- Or pass a placement interview with one of our teachers

Book your interview here: info@lecoledefrancais.nl
